“ I will always remember my cousin Earl's smile which always seemed to be on his face. I will treasure the Christmas tree carving which I have that he did. Our family always looked forward to coming home to Trinity to see both Earl and Margie and will treasure the time we spent with them last year when we made our bi-annual trip to North Dakota. Earl took some picture of the Weight siblings at the church - really special now! May God give the Regner children and grandchildren comfort and peace. My thoughts and prayers are with you. “ I had the privilege of having coffee and conversation with Earl at Cavetts Corner many, many , many days.

Earl ALWAYS had a story or 2 or three to tell and NEVER a negative one !!!! He was a very POSITIVE man who I really liked being around !!! He will be missed by many !!

Terri and I visited him in Jamestown a few quality minutes at the hospital before a meeting we attended. While He didn't look real well, and no doubt didn't feel well.....he STILL was VERY Positive about everything. He said they were holding a prayer service at the very moment that we were visiting him for Marge.

Then before we left I asked if we could pray for him and his family to which (you guessed it) he said that would be great ! So Terri and I held his hand and prayed and that was special.

Praise the Lord for a GREAT, husband, father, neighbor, friend and family !!!

Our thoughts are with you all at this very difficult time !!
