“ Lester and his friend Neva were great friends of my parents Lawrence and Doris Potter. Every time I came home, and would go to Trinity Church, Lester would be there. He and Dad enjoyed many a card game together at the senior center. Fond memories always, my brother Tom came to know them both real well in the past twent or so years having breakfast with them mostly. He sends his condolences as well.

Peace and prayers always,

“ Sorry to hear of Lesters passing. He is in a better place for sure. The few times we visited him over the years were always memorable. He was so proud at his 90th birthday party in Valley City. And when we stopped to see him last summer, he always made you feel welcome. God bless his memory.

“ The name, "Speicher" brings many memories to surface. A friend to my Uncle George Davis, picking corn (be sure you stuff all you can get in, into your bag") with my Sons.
My sympathy goes out to all three kids, as well as grands, and greats.
Wish I could be with you, at this time.

“ Paul, Lynel and June,
I am so sorry for the loss of your wonderful Dad. We only met one time as my husband and I traveled through Valley City but have been in contact over the years via email and facebook. We will miss our on-line friend. After reading his obituary I can see what a wonderful civic minded, good person he was. I have found that when you lose a parent they are never really gone, they will be with you always. Our prayers and sympathy are sent to you.
