“ Dear Shirley and family,
We are sorry for the loss of Earling. He was a great confirmation mentor to Kyle as he was a great mentor for many other people. I still remember when I pleaded with him not to mark my tree with a red X and with a smirk he made the biggest X on the tree. I also remember my boys looking out the window to see if Earling had the Christmas Tree lit. They would tell me the progress if they saw the boon truck. He will be missed.
Sincerely Mike, Jodi Kyle Kendall and Kasidy.

“ Dear Shirley and Family, I remember Earling as a hard-worker taking great care of our parks and buildings. I told him that obviously he was thought of very highly, because he was the only employee that we furnished with a convertible to use at his job. I can still see him tooling around town in his Jeep. Please accept our sympathy.

“ Shirley and Family,

My deepest and most sincere thoughts and prayers go out to you in your time of sorrow. I have so many fond memories of Earling that I never ever will forget - the boat rides in the river, the fishing, the smell of chokecherry wine in the garage, the times he would bring me into either your house or Mom and Dad's house and make sure my face was clean! Just know that Earling is in a better place and he doesn't have to suffer anymore. May God be with you in and your family as your mourn your loss.

God Bless You!
