“ Heaven just let someone beautiful enter. I'm so happy to have crossed my life path with hers. Such a true lady. I want to be like her as I age - filled with regality and grace. Be comforted by my prayers. I care.

“ To The Family of Gladys,  
Our Deepest Sympathy goes out to you at the time of your loss. I only knew Gladys for the last year or so of her life but it was truly a blessing that I got the chance to know this lovely lady. The excitement she showed whenever we saw one another was her very special way of showing how much she loved her friends. It was certainly a pleasure to spend time with her and I will miss her dearly.

“ Gene, Marilyn & Families, Our Deepest sympathies go out to you all at this very difficult time. I met Gladys when I was working at the flower shop, she was a very special lady. From the first time we met she never forgot who I was and always stopped and visit when we saw each other. She will be so missed by all of us. May God be with you all. Carol and Mark Klein
