He grew up in Durbin, North Dakota on the family farm. He attended a one room schoolhouse, in Everest, North Dakota and graduated from Lincoln High School in Casselton, North Dakota. Harold attended St. John's University for a short time before transferring to North Dakota State University where he received his degree in Pharmacy.

After college he spent some time in California, before returning and beginning his career at the Casselton Drug store. He met Elaine Pedersen and they were married June 25, 1960 in Casselton. After spending quality time in St Luke's Hospital, Fargo, as a result of contracting Gullian-Barre Syndrome, also known as French Polio in 1984, Harold became known as "the hat man of St. Luke's". When he returned home he began working at Valley Drug, which he later bought and then sold when he retired.

Harold was awarded the Outstanding Handicapped Citizen award in 1987, and before his retirement he was granted a life-time pharmacy license.

Harold loved working with wood and spent many enjoyable hours making a variety of products for gifts for family and friends or for sale. Other interest included gardening, photography, wine making, and making homemade horseradish. Working with model railroads was also a favorite pastime.

“ i was a classmate of Harolds. My sincere sympathy to his children and families. Despite all his heath problems he overcame and did a lot of good things in his life. He was a good man. My prayer to all of you.

“ Harold did such beautiful woodworking. One time when I borrowed Elaine's lease equipment to use for our WELCA project, he had been making trivet so I bought one for each of our girls who used to call her Grandma. Amy is a pharmacist in North Carolina and Erin works with Epic, the software used at Sanford. When she started there in the insurance department, she got to be friends with a relative of Harold's. I am sorry that Robert and I are out of the state and unable to attend Harold's funeral.

“ I was sad to read about Harold's passing. I worked at St.Lukes/Merit Care during his struggle with French Polio. We would comare notes as I had the other kind of polio. He was a wonderful man and I remember the hats. He will be missed by all who with whom he came in contact. My sympathy to all the family. Marion Sansted

“ What a great guy. You were so busy. I loved your birdhouses and wooden things you made. I remember the year in the hospital as well. You went home the day I said good-by to Int. NICU when I went to have my back surgery. I was blest to be able to see you in your store, home and later years in your shop. RIP my friend. May God comfort your family and loved ones

“ I knew Harold when we were both at NDAC
In pharmacy. He was a member of our fraternity, Sigma Chi.
I remember Harold as a serious student and a loyal member of Sigma Chi. I visited him in Valley City at his store. He was a great person and will be missed by all who knew him.

“ Throughout my childhood, Harold was my bonus Grandpa. He and Elaine sent my sister and I greeting cards for every holiday -even Halloween- almost always with a Susan B Anthony or another special coin. Every Christmas, we eagerly looked forward to their delivery of homemade treats. Harold and Elaine spoiled us with their love and attention. I hope us girls brought them joy, like they shared with us. I'll never forget his smile, his voice, and the neat set-up he had for driving their minivan. I think of him every time I use my trivet.

“ To Sharon and John and the Nilles family. My deepest sympathy to you and extended families. As time passes and along with it those who have joined us on the journey we are left with great memories of Harold and Elaine. As, Harold once said to me "We are only visitors" Love and blessings.
