

Louise Anderson

March 31, 1926 - February 14, 2017

Louise Anderson, a longtime resident of Sanborn, ND and most recently Arden Hills MN, passed away peacefully in her sleep February 14. She was 90 years old.

Louise was born to Alfred "Spot" and Helen (Spencer) Ellison, March 31, 1926 in Fargo, ND. After graduating from Sanborn High School, she travelled with her good friends Elaine McCormick and Harriet Hirschberger to Tacoma, Washington where they worked in a factory to support the World War II effort until the war ended. She returned to North Dakota and attended Valley City State College until she married Leonard "Bud" Anderson in 1946.

They worked at the Anderson family farm near Valley City and soon became a family with sons Gary and Larry. In 1948 Louise and Bud moved to Sanborn, where Bud took over operation of Ellison Hardware, the Ellison family business. Daughters, Sharee and Mary, were born next. While raising her children, Louise also was very active in school events, gardening, music and the Eastern Star Organization. Often when the school band had concerts, she would provide piano accompaniment for soloists. She also enjoyed singing at any time, in many places, with her special friends Ethel Pikey and Betty Koebernick. During the 1950's, Louise and Bud helped establish the Sanborn bowling alley and café. Later Louise helped in running the café and became well known for her wonderful baked goods, especially bismarcks and gigantic cinnamon rolls. During the 1960s Louise handled secretarial and administrative work at Valley City State College. It was also during this time that Louise began to expand her flower gardens and was very active in Garden Club activities winning many ribbons and awards. Starting in the 1970s Louise worked for Social Services in Jamestown and continued working well into her 70's because she liked her job.

Downsizing in 2010, Louise and Bud moved to Valley City. In October, 2013 they relocated to Arden Hills, MN.

She is survived by four children; Gary and wife Chris of White Bear Township, MN, Larry and wife Chris of Mesa, AZ, Sharee Berntson and husband, Jim of Sanborn and Mary (Mim) Stoudt and husband Jamie of Stillwater, MN: seven grandchildren and eight great-grandchildren. She was pre-deceased by her parents and husband.

“ I can see your mom (and your dad) in the kitchen/living area of your old house in White Bear. They were always so cordial and kind. I remember how much your mom loved to make dried flower arrangements. And they so enjoyed staying at your home. We are so sorry for your loss. Mayr, Lizzy, Cat

“ I always liked visiting with Louise, because she had a great sense of humor and was very kind. I remember her being musical and playing piano or organ. I was even lucky enough to have her accompany me for a few solos. Bless her heart. I'm so sorry for your families' loss.

Thinking of her brings up good memories of being kids living next door, with Mimi or Sharee babysitting, Sambo coming over to visit, or once in a while swimming in the pool.

I feel badly for missing the funeral but I will be praying for all of you.

Peace be with you,
Debb Lettenmaier
