“ Dear Family,
I am so sorry to hear of the loss of your dear loved one and send you my sincere condolences. The passing of a loved one can leave us feeling lost and heartbroken. But I've found very comforting words in God's word, the Bible. At Psalms 55:22, God promises to sustain those who throw their burden upon Him. God will also do away with death all together as brought out at Revelation 21:4. The bible also holds out the hope of a resurrection of those who have fallen asleep in death at Acts 24:15. May Jehovah, the God of all comfort who comforts us in all our trials (2 Corinthians 1:3,4), comfort you in your time of need. Heartfelt prayers are with your family.

“ Melissa, Kade and Kara,
So sorry to hear of the passing of Mark. We have good memories of shared horse activities--trail riding in the Badlands and camping/riding at Kathryn. Mark was always a sincere friend with a bright smile. May the Lord bless you with memories of good times and give you the peace that passes all understanding.

Johnson Family,

So sorry. Mark was two years younger than me at Fingal HS, but you knew everyone at such a small school. I enjoyed playing sports with Mark - He was a good athlete and was always positive and upbeat - even when we were getting creamed in basketball! I pray God's comfort and peace surround each of you

Johnson family,

My deepest sympathy and prayers go out to all your family. I have alot of fun, good memories with your brother. We went to the last Fingal prom together. He always had others feelings in mind and was truly a genuine kind guy. Cherish the good times and memories. He's probably cruising in that ol' gray truck of your Dad's right now:) May God be with him.

Please accept my sympathy for your loss. I went to school with Mark Scott. Going through school with a class size of no more than 12, gave us the opportunity of knowing each other quite well. I remember Mark Scott as shy and kind. He would create beautiful pieces of art with leather and would give them to friends. He would talk about his work with horses but would never brag. I thought it was so cool to know a real cowboy. I regret not keeping in touch over the years. I'm not surprised he continued to work on farms with horses. I hope his ride into the sunset provides him with peace.

“ Johnson Family,

I am so very sorry for your loss. Mark was in my grade all thru grade school and h.s. and we even dated on and off. He was one of the nicest guys I have ever known. Yes, such a contagious and handsome smile he had, and was always such a good friend. We had a very small class in Fingal, so we all were like brothers and sisters, and I just wish all of you Gods Blessing during this terrible and trying time. And may he give you courage and strength in the days, months and years to follow. Keep his memory alive.
God Bless You
