“ I write to express my condolences to relatives and friends. I came to know Myrtle and Freeman when they cleaned the law offices I worked in at the Fidelity Savings and Loan Building in the early '80s. They would cheerfully come around at the end of the day and we shared many laughs as they went about their work. I vividly remember thinking they not only left the offices cleaner, they left our days brighter as well by their goodness and Skandanavian humor. I was proud to consider them my friends.

“ Brent and Julie, I'm am saddened to hear of the loss of your grandmother. It was always nice to see you when you came to Valley City to visit her. What a wonderful legacy she leaves behind, and what a blessing for those whos lives she touched . You are the two most wonderful grandchildren Myrtle could have ever hoped for, or friends anyone could ask for. May you draw strength from the Lord during this difficult time.
