“ To Terry, Susan, and your families, you have my condolences at the passing of your loving dad and grandfather. My mother was so fond of both of your parents, and she got a big kick out of the fact that your dad and she share a birthday--same date and same year. I have always thought of your parents as such kind and gracious people. You come from "good stock"! Now they are both together again with Shannon, and may you feel the peace of God as you miss them in the many ways they come back to you in memories.

I was at Ft. Douglas, Utah from 11 Dec 48 until 11 Dec 49. One Christmas, December 24th in the last week, I was near the top of the ship stairs, and got to be around 10:00 AM. Remember and get a kick to go to South Lake City for the morning. On 11 December I was on the deck for 1 Camp Roberts' 1947. From 1 January 1948 until 1 May 1949 I was a member of Academy Department Training Center, Camp Roberts, Calif.

“ Sending prayers and sympathies to Shannon's family. He was my supervisor when I drove bus for the Senior Center for a bit (a couple of times). He and Vivian were the most kind and generous people. I always looked up to him as he was so patient, warm, and centered.

“ My thoughts and prayers have been with the Bowman's these days. As I read about Shannon's life it hit me that when Suzie and family were with Uncle Pete and Auntie Nell Verduin (Litchville ND) and I could play and be near her so much in our young lives , it was because her daddy was involved w the Vietnam war..
And the jewelry box she gave me one year for my birthday was from Japan
I just never knew all the details of his career!
Such a special family to me and to be double related is even more special. Your dad was so handsome, kind and patient. So good to Vivian! I always loved seeing them at family and social events and it took me a long time when I was young to realize they really were not my aunt and uncle. Just think how exciting it is for them to be together with Shannon again.
God Bless You,
Love and prayers to my cousins Suzie and Michael, Terry and Linda and families.

“ I'll continue with Pat's memories. The family came from their Italian post to next door with Pete Verduin's. We were just learning about pizza and were sure Shannon the son would be excited to join us for a pizza party. He wasn't sure what it was!
Had the radio on late one night and heard that Shannon had been killed in a car accident on his way to/from school in Wahpeton. He'd stopped to help someone with trouble and was hit by a car. So young and nice. Very sad day in for our neighborhood. Can't imagine how Terry and Susie felt. They were a lovely family. Sending good thoughts.
