“ My deepest sympathies to the family of Sue. She was such a special lady to us. When I first joined Trinity, she & Bud were the first ones to welcome us and really make us feel included. They were both such warm and friendly people, and an important part of our church family.
I will always remember what a classy lady your mom was!
May you find comfort that your parents are now together in our Lord's heavenly home, and may the memories you have warm your heart.

“ To Sue's Family:
What a blessing Sue was to my life. She was my confirmation mentor and we spent many hours visiting and talking about our faith, what it meant to us and what it meant to nurture our relationship with Christ. She was a true blessing to me, and I will always remember her and Bud. I speak of them often as they gave me a couple of gifts, and people ask about them all the time, and I tell them that I got them from a wonderful couple that really were mentors and special people in my life. May God wrap his arms around you, and walk with you through your sadness. I know that Bud welcomed her with open arms and a smile on his face as she joined him in heaven. I will be forever thankful that they have been a part of my life.
God's Peace to all of you.

“ Carolyn, Curt, Janine and Family,
I am sorry for your loss. Sue was a dear friend and I have missed her since she left Bridgeview Estates. She enjoyed talking about her family and showing pictures of you. I am happy that she was able to be able to spend more family time with you while living in MN. I have to add that when ever I see one of those "flowers" twirling in the wind I will think of her and smile. May God Bless You during this difficult time.

“ I am so sorry to hear of Susan's passing. Sue was a very "Special Lady"and great friend, who meant so much to me. I so enjoyed visiting and hearing about her family. I am so glad she was near her family to enjoy as much time together as possible. That was the most important in her life, Family and her Faith. She touched everyone who knew her, with her wonderful ,caring manner and beautiful smile. I know how much you will miss her. She will be with you always in your heart. May the wonderful memories you shared bring your comfort now and in the days ahead. You are in our prayers,
