“ My sympathy to Rachael, Jamie, those precious grandchildren that he was so proud of and all of the Carlson families. Terry was a kind and generous person with a great sense of humor. He fit so well in our class you would think he had been with us through all of our school years.

Hugs, Prayers and Love, Sheryl

“ This picture is so Terry, it's great. It was so good to see you, Rachel and Jamie, and to visit about Terry. I remember when he joined our class in Litchville. He was not bashful!

Lots of good memories. It is hard to lose another member of our class.

My deepest sympathy to you Rachel, Jamie, Terry's precious grandchildren that he was so proud of and to his sisters and families and his brothers families too.

With love and prayers,

Sharon Clauson
