“ You and your family were a big part of my life growing up, Adeline. Your farm was always a welcoming place to visit on a Sunday afternoon! You were always kind, generous and witty. Your sharp mind never forgot me, though time and distance brought us to different places. I will remember you in my prayers. With love,
Monica (Ertelt) Bertrand

“ Grandma, I love you. I know you were ready to go home. I am sad for us here on earth but rejoice in knowing that you are with our Lord and Savior and other family members that preceded you in death. I know you are enjoying your new body with no longer in pain.
Thank you for being a great Grandmother. I will miss all my cards and letters. Those special days will be a little emptier without hearing from you.
