“ Our sympathy to Wayne and family. I remember staying at the family farm with you at times when my father Levi Kruschwitz taught at rural schools in the nearby community. I could not wait to play with Wayne and watch Huckelberry Hound or Zorro (most teacherages had no television). The generosity and love in their home will never be forgotten! Angie was a talented musician and would play piano or guitar with my father. Angie's compassion and strength of character both at home and at work is legendary! Rest in peace my dear cousin! “ *Many wonderful fun filled memories of Aunt Angie. She loved to play her music to make other people happy. She hosted many picnics her her back yard, at holiday time baking a variety of Christmas cookies and candy to give away, allowing the "Kastet Kids" to swim in the muddy ditch and cleaning us up before the folks arrived, and many more fun filled games; but my most treasured memory is receiving an art set for Christmas and that gift has blessed me many times over and still does !!! Wayne and family so sorry for your loss. Diane Kastet Neva*
