Ardie was born September 25, 1927 in Fargo, North Dakota to Tollef (Tom) and Alice (Prestrude) Nelson. She moved from Climax, Minnesota to a farm at Eastedge, North Dakota with her parents in 1939. Ardie graduated from Nome High School in Nome, North Dakota and attended NDSU when it was The Agricultural College. Ardie worked in the Mercy Hospital Lab as well as for Drs. Then she was a stay at home mom until the late 60's when she was the bookkeeper for the business she and Bud owned, Sheyenne Tire & Sport Shop, until they sold it in 1976.

Ardie was an active member of First Lutheran Church (now Faith Lutheran Church) in Valley City. She enjoyed being in Ladies Aid, Circle, and attending bible study.

Ardie was full of life and loved spending time with family and friends. She enjoyed playing cards (especially Pinochle), attending sporting events "Go Bison" and going out dancing with Bud. Ardie also loved snowmobiling and

traveling with her husband and friends.

“ Dear family of Ardie, We are so sorry and sad that Ardie has passed and that we somehow didn't see the obituary until this week. We used to be a neighbor of Bud and Ardie back in 1984 - 1989. We lived next to Christensons in the blue house. Our three kids were just little and Bud and Ardie were so good to us. It was like having parents next door to me and grandma and grandpa for my kids. I remember I used to try to keep the lawn mowed and looking nice because thats what Bud and Warren did, and finally Bud told me, Marsha, don't worry about your lawn, you can't grow kids and grass on the same lawn! And I had alot of kids on the grass since I did daycare. We loved them and so sad and sorry they are gone. Our Thoughts and Prayers for your family.

“ Kathy and Steve, I remember your mom while growing up on the same block and later, still in the neighborhood. She was such a great neighborhood “mom” and always seemed so energetic in those days. Kathy, I’ve thought of you so often and missed seeing you at the last reunion. Steve was there & said you were having to stay home then. My heart goes out to all of you. (I never had the privilege of meeting you, Gaye). I’m keeping you in thoughts and prayers. Hard to believe we are now the “senior” generation!

“Ardie was a real "GEM." She always had a smile and an encouraging word whenever I saw her. My mom, Ardie and I had something in common -- we all graduated from Nome High School. She would have loved to see the renovation going on at the old Nome school. We are hoping to have our Alumni banquet there next June if this Covid thing is under control.

Kathy, please know you and the rest of your family our in our thoughts and prayers. I wish Cork and I could see you again -- to visit and remember old times. Even that would be sad without Jerry to join in the conversation. God bless you and bring you peace!

“Sending love and prayers to Gaye, Kathy and Steve. I have wonderful memories of Artie and our wonderful 5th Ave.: Neighborhood. Living in Valley City all my life my family would see Artie at many events. She always greeted us with that beautiful smile and kind words. She would also fill us in on what her children and grandchildren were doing.

I'm sending you a hug and my love through this note. We are keeping you in our prayers.

Sincerely, Rachel and Jim Jensen
