“ Just like LaVonne, my husband and I became good friends with Betty when delivering meals. When Betty moved into Bridgeview we were grateful that she let Emily come live with us. We miss them dearly but it is a great comfort to know that they are together again.

“ Betty and I became good friends when I delivered meals to her. She trusted me with the care of Emily for a week when she had eye surgery. She was very talented and wonderful to have for a friend. I will miss her, she is home with the Lord now.

God Bless her.
