“ I have known Blair for many years. Threw those years i have cooked him many meals, and share a cup of coffee with him quite a few times. He was always nice to everybody, and helpful any time anyone needed a helping hand. He was always the first in his group to arrive for coffee in the morning, where he would meet with his coffee buddies and at times that would be to many to be seated at all at the same table. He enjoyed people , especially his friends Herb,Randy, and brother Gary. But his most favorite person to meet him for breakfast was Janel Richman (Step Daughter).
He would tell me she was coming, and you could see the love he had for her every time he seen her or spoke of her. I will miss not seeing my friend Blair !!!!!
He will never be forgotten. Rest in peace friend til we meet again.
