Bryan Ray Beedle was born on March 28, 1973 in Portland, OR, the son of Jack and Donna (Juelke) Beedle. When he was 5, he moved with his family to British Columbia. In 1986, they moved to LaMoure, ND, where he attended school until 1990 when he left for the Job Corp in Anaconda, MT. He learned equipment operation and graduated in 1991.

“ To the family of Bryan,

I wish I could find some way for the pain & loss that you are feeling to go away. But then I think about all the memories that Bryan has left behind...I know that they'll be treasured forever. I have always believed that some things are just too heavy to be carried on Angels Wings...and when I read that Bryan donated...well...that just told me that his "job" here on Earth will continue to live on. My loving thoughts and prayers are with you all! Our Deepest Sympathy....Mel Aberle & Dan Meisch (Thank you Bryan for touching the hearts of sooo many people you met in your life...You will be a wonderful Guardian Angel for all those who love you! So until we meet again face-to-face in the Heavens.....)###imported-begin##Mel Aberle###imported-end##

“ To the Beedle Family:

Im so very sorry for your loss, i cannot even imagine how hard it must be for your family right now. Im so sorry that i cant be there for the funeral.

You husband/father was such a great man, he always knew how to put a smile on my face or on others around us. There was never a dull moment at the hockey games thats for sure.

I will never forget Bryan, he was such a warm hearted man who only wanted the best for you guys. He always pushed you so hard Marcus to just be the best that you can be and you are such a wonderful kid because of it.

Your family is so tight-knit and even though this is an awful tragedy I have faith that you will pull through because of the love that you all share for each other.

Bryan was an absolute gem and I will always remember him, and the fishbowls :)

I miss you all so much and again am so sad about the loss of Bryan, he truly was one of a kind.

“ Teresa, Marcus, Britney
Words can't begin to tell you how terribly sorry we are for your loss. Bryan was a great person, he treated people with care, consideration and adoration. What a terribly tragedy this has been for all who knew Bryan but especially for the 3 of you. Bryan would want you to go on, to think about him with laughter, love and kind words...he will always be with all of us, his laugh, his kind nature, his way of making everyone no matter who you were or what you did to Bryan you were a person and he treated you the way he would have wanted to be treated. The days to come will be tough for all 3 of you, but, as Bryan would have wanted it...stay strong, keep faith, laugh and love just as Bryan did while he was with us all. Prayers be with you.##imported-begin##Steve - Lana Roberts dahl Meg, Adam and Levi##imported-end##

Remember those moments w/ Bryan :)
We only new him for a short time, just being neighbors, but we will
