“ *Buttke Family,*
So sorry to hear of Carl's passing. I was able to know carl through a mutual friend shortly after he retired to Valley City. I became one of his friends/handyman that he could call on for fixing stuff around the house. I will miss his stories, our time for beer & visiting and his proper cussing of things that needed cussing. God bless you buddy.##imported-begin##carl tombarge##imported-end##

“ *Marilyn, Debbie, Pat, Paul & Families;*

We are so sorry to hear about Carl. Knowing Carl was a unique experience. He had a way of life that should have been made into a sitcom. Wherever he is, I'm sure they are rolling in the aisles.

Thank you, Carl, for all the unforgettable and unbelievable memories. You will truly be missed by more than you know.

Love,
