“ Kvislen Family-

Michele and I would to pass on our thoughts and prayers at this time. We got to know Carl when I was a teacher in Finley. Carl was the first person I met when I went for my interview he was by the door and the first person to greet me. He had a smile and a sense of humor that never ended. Dan and Paul and the rest of the family God Bless you.

“ *So many fond memories come to mind when I recall the years we worked together at Finley-Sharon.. The practical jokes, the laughter, the year end parties at the cabin and the bus rides. During my first days at the job, I was warned by two other coworkers to watch my back because between Carl and Merlin all were fair game to their fun. I can say I remember more of their antics than I do students, and fingers were pointed at them before anyone else when something was amiss. He was one of a kind. Thoughts and prayers for all.*
