

Carlton Mennis

December 29, 1929 - January 5, 2013

Carlton Millard Mennis was born on December 29, 1929 in Litchville Township, near Kathryn, ND. He was the son of Oscar and Ida (Sand) Mennis. Carlton attended rural school and farmed with his father.

On September 11, 1951, he was drafted into the US Army. He served in Japan during the Korean Conflict until being honorably discharged, August 12, 1953. When he returned to the US, he drove gravel truck for LaMoure County while continuing to farm.

On June 2, 1957, Carlton married Phyllis Graalum at Nordheim Lutheran Church, Kathryn, ND. They made their home on the family farm, becoming the third generation to farm the homestead. In 2000, they retired and in June 2010, moved to Valley City, ND.

Carlton loved animals, especially his cattle. He enjoyed watching the young calves grow. He took great pride in his farm and being able to take care of the soil and provide for his family.

He was a life long member of North LaMoure Lutheran Church where he was baptized and confirmed. He belonged to the Litchville VFW and a member of Farmers Union. Carlton began playing accordion as a young man and continued throughout his life. He enjoyed sharing this talent with family and friends. He was, and will be remembered for being a caring, honest man.

“ *My sympathy on the loss of your dad.
May your memories surround you and flood your soul with
The peace and joy only your dad could deliver to each of you in his own way.
That bond does not break through death, but lives on through you.
Lovingly, Patty Flach Hartman*

“ *Carlton
Accordion recordings entertain all as they're sweetly greeted.
Polkas and waltzes spin into congregational minds as they're seated.
Family, friends fill up the church where they're treated.
A wood-carved altar portraying Christ's ascension in a sky of pure blue.
A small, country chapel with stained-glass windows of brilliant hues.
A country-blue acoustic guitar strumming,
Songs which in my mind I still keep on humming.
Sons sing about an "Old Rugged Cross,"
Honoring their father during a service for his loss.
Standing next to his casket of a royalty blue,
It was their dad's wish to share songs olden and true.
In a field of blue the white stars are set,
Upon a triangular-tucked flag for a Korean War Vet.
Gilded-winged Angels border the altar on banners of blue,
Heralding heaven's promise anew.
A sunshiny, wintery January sky,
Tears welling up in blue eyes as they cry.
With four generations, a man's legacy lives on as we all say, "Good-bye!"*

“ Our sympathy & prayers to you, the families' of Carlton Mennis. When I remember Carlton, I reflect what pride he took in keeping his yard and lawn manicured just so. And what a gift he had for music. When he took out his accordian, we were in for a treat. I so enjoyed listening to him play. Know that his pain has been erased by Jesus and be assured that salvation with the Father promises to be more glorious than our earthly residence.
