“ *Jeni and family: So sorry to hear of your mother's passing as it seems to be the chapter we (our class) seems to be currently experiencing right now. I can't imagine what you must be feeling right now. Your mother was an absolute hoot growing up. I never knew if I was talking to you or her on the phone- she loved you very much and was so excited to be a grandma to your children and talked about them endlessly. You made her proud and we made her want to pull her hair out at times with all our teenage antics. My folks enjoyed visiting with your folks at the vfw on burger Saturday's. Prayers for your dad and what may transpire next. Be gentle with yourself and give yourself time to mourn-you've been through a lot. Passing the proverbial quarter back to you. Blessings.*
