“ Our Sympathy to all of Cheryl's family. Cheryl was a special person who loved her Lord and Saviour.. I was glad we got to know her through our church and when she lived in her home we would coffee together. I saw her at different times at Bridgeview and she always had her sweet smile. Janet Peterson and I visited her when she was on 2nd floor of the Care Center and we had such a nice visit as she was very alert that day. She especially enjoyed it when we read the 23rd Psalm to her. Ron, I was glad to be able to meet you and Cheryl's sister Renee . Our sympathy to all her family but we rejoice in her homegoing. Dean and I will send a memorial to the Gideons in memory of Cheryl. Marlene and Dean Fritch

“ I worked with Cheryl at Mercy Hospital in the 90's and she was always such a sweet and gentle woman. She always was kind and loving to patients and co-workers. She always spoke so lovingly of all of her family. My sister was admitted to "The Cottage" at the Sheyenne Care Center and when I saw Cheryl was a patient there as well my heart became very sad as we all know Alzheimers silences so much in our loved ones. But even dealing with that she was a kind spirit. We are all better for having her in our lives and I thank you for sharing your loved one with us. Cheryl is always going to be a beautiful memory in my heart. May God wrap his loving arms around you as you prepare to say goodbye to your loved one.

“ I first met Cheryl at Mercy Hospital in 1994. As an empoyee in Central Supply, I got to visit with her everyday. What a wonderful lady she was. She always had a smile and a hello. Being the small town Valley city is, I ran into Cheryl quite often, and she had a little time to visit. My sister entered the Care Center Cottage two years ago. The first person I saw when entered the Cottage to visit my sister, was Cheryl. I dought if she knew me, but she had that smile and hello. I missed her, when she moved from the cottage.
My sympathies to Cheyl's family.
She will be missed.
