“ We are so sorry to hear of your loss Chris built our new home on the Kathryn road in 1977! He was a wonderful man to work with! I still have photos of Chris eating his lunch with our two little sons sitting beside him as he worked in the basement . We have great memories of that time Our sympathy to you and your family

“ Dear Ed and Kim,

There was a nostalgic sadness that filled my heart upon hearing the news of Uncle Chris's death. Memories of childhood ~ all our holiday gatherings (the long table FILLED with food in your basement, LOUD, LIVELY and often LAUGHTER filled the air with all those relatives!) as well as the Sunday Dinner visits with just your family...and of course Bubbles. You and I were too busy playing for me to remember many stories Uncle Chris may have shared, but I can tell you he was the one Van Hal uncle who didn't frighten me too much! :) You and your family hold a special place in our family....know I'm thinking of you, remembering the good times, praying for His strength and peace to surround you.

*Love,

“ Ed and Kim,

Please accept our sympathy upon the death of your Dad. I have so many memories of the holidays our families shared when we were young. Your Dad and Mom took me on my first camping trip to the Mississippi headwaters when I was about twelve.

I also remember how interested he always was in John and I even after we had moved away. He always invited us to "stop by" when we came to Valley City and made us feel so welcome. I know you will miss him; but what a joy it is to think of him joining your Mom and so many others of his family in THE LAND of perfect peace.

"Precious in the sight of the Lord is the death of His Saints." Ps. 116:15

“ Dear Cousin Ed and Kim,

My memories of Chris were mostly when the family would get together at Grandma Deboer's. He would always bring a sense of calm and peace around him, even when all the kids in the house were a little chaotic. I remember being in awe of what he could do with a piece of wood in his shop. It was fun to see how skilled he was and how quickly he could whip out a kids toy from a slab of wood in no time flat. I have many great memories Chris and the family together and for him I am grateful.

May God be with you and comfort you in this time.

*So you have pain now; but I will see you again,
and your hearts will rejoice, and no one will take
your joy from you.*

“ Dear Cousin Ed and Kim,

I have many fond memories of your Dad. Once in awhile he would stay at our house on the farm before, he was married. I enjoyed listening to the stories that he and Dad would tell. I remember that his snoring would just about bring down the house. I remember his 1952 cream and wine colored Plymouth and I enjoyed the stories of their hunting and other escapades, which may have been embellished. I remember the red Dodge Pickup with the black box and the rides I would get in it sometimes. I remember him parking his tractor and bailer in our yard when he was between custom bailing jobs. When your Mom and Dad would get a new vehicle they would come to our farm for show and tell and I would wish that just once it could be us getting a new vehicle.

We sure wanted to be at the visitation and funeral, but the weather did not allow this. You will certainly be in our thoughts and prayers.

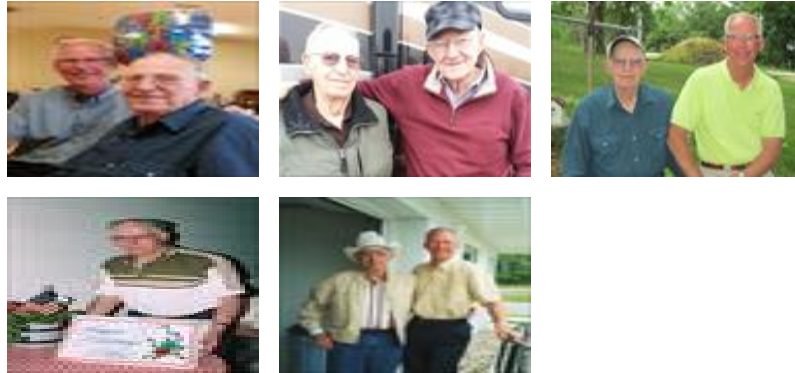

Psalm 30:5b "Weeping may endure for a night, but joy comes in the morning." Your Dad is in the presence of the Lord where there is fullness of joy forever.

With our love, Dave and Dotty Van Hal

“ *Ed and Kim,
We have enjoyed your parents ever since you, Ed, joined the family. They both were very special people and we will sincerely miss him at our family gatherings. As another "only child," I know the hole that losing your parents leaves in a person. You both have our sincere sympathy and love. Stay strong. Hope to see you down here yet this Winter.

“ Kim and Ed, thank you for encouraging your dad to share holidays with us! Although generally quiet, he always had such a lovely spark in his eyes. I'm so thankful for his calming, gentle presence on those Christmases, Thanksgivings, and July 4ths. Lots of love and hugs to you.
