

Corey Alan Neseth

July 14, 1964 - August 13, 2024

Corey's Celebration of Live Service can be viewed at <https://vimeo.com/1002751616?share=copy>

Corey Neseth, 60, Valley City, North Dakota left us unexpectedly Tuesday, August 13, 2024, at Sanford Medical Center, Fargo. We are numb and still processing this loss. He will leave a large hole in all our lives. The family appreciates the outpouring of support since he left us. We hope you continue to hold us in prayer as we make our way through this without him here.

A Celebration of Life Service will be 4:00 PM Friday, August 23rd, 2024, at Dacotah Pavilion in Chautauqua Park in Valley City North Dakota, followed by a lunch. Please plan on staying with us for a while to share stories, laughter and tears.

Corey Alan Neseth was born July 14, 1964, in Thief River Falls, Minnesota to Clarion J. "Jerry" and Lois (Berg) Neseth. Corey joined brother Craig, and now their family was complete. The Neseth family moved a few times while the boys were growing up. They wintered in Okeechobee, Florida when Corey was two years old. When he was a toddler they lived in Grand Rapids, Minnesota. Corey attended Preschool in Wilmar, Minnesota and completed Kindergarten through 9th grade in Pipestone, Minnesota. He completed his high school years in Perham, Minnesota graduating in 1982. Corey attended

Moorhead, Minnesota College in 1983 and graduated from Moorhead Technical College in 1985 with a Technical Degree in Business Accounting. In 1993, Corey graduated from Mankato State University with a Bachelor of Science Degree in Business Administration.

Corey enjoyed the high school band, playing the coronet. He excelled in sports, playing football, softball, basketball and running track, even breaking school records with his speed. Corey also taught himself how to ride a unicycle, doing it well enough to bring a gallon of milk back from the store...he sure loved his milk.

Corey was a jack of all trades and worked in many places throughout his career. He owned Corey's Wholesale Electronics in Coon Rapids, Minnesota for 12 years. When he closed that business, he began the search for a job he would love. He was an independent sales rep in Cambridge, Minnesota, a customer service manager for Schwann's in Maple Grove, Minnesota, a Sales Representative for Partsmaster in Dallas, Texas, and to round out his earlier jobs, he was a machine operator for Barrel 'O Fun in Perham. Corey moved to North Dakota and worked for Hibu as a Sales Representative in Fargo, North Dakota, RDO Equipment in Lisbon, North Dakota as a Service Manager and then for Bakkegard & Schell in Valley City as a Service Manager. He then landed at Drug Plastics in Valley City where he was currently employed. Corey was a night supervisor, and while the night hours weren't his favorite, he enjoyed the people and company that he worked for.

Corey's move to North Dakota was to marry the love of his life Debra Baumgartner. They joined in marriage October 3, 2015, with 60's themed wedding that centered around his 1969 Mustang. Corey and Debby had so much fun planning this large family event with all taking part...for it truly was all about the family.

Since then, Corey and Debby have hosted many family reunions and gatherings at their home including Corey's recent 60th birthday party. He took pride in their home, and together they loved to host. Corey was a grill master and would smoke many pounds of meat for these events. He was also a master beer brewer and took such pride in sharing his latest beer with family and friends. Corey had just made two different beers for his father-in-law's 90th birthday party. He was so proud that it went quickly, and everyone loved it.

Corey had a zest for life and doing new things. In 2015, after their wedding, he attended scuba diving classes in Valley City. Corey completed the course and was able to take his open water dive in Cozumel while there on their honeymoon. He loved being in the water and all the beauty under the ocean.

Corey loved hunting, fishing, sports, cars and music (especially classic rock and the blues). He always said, "You can't brew a good beer if you're not listening to the blues while making it." He loved traveling and in recent years he and Debby had bought a time share in Cozumel. They were just there in April of 2024. Corey also loved to camp, and he had been busy rebuilding their old RV so they could enjoy many more years in it. They had plans of taking it south for the winter once they were both retired. Corey had also been busy rebuilding his 1969 Mustang so he could start doing car shows. He bought a new motor, had new seats made and the basement was full of everything for a Mustang waiting to be put together to make that car a beauty. Plans were made, but now cannot be completed. Our hearts are broken.

He leaves behind his loving wife, Debby; step-children Cally Carpenter and Chase Carpenter; his mother Lois Cheever and step-father Walt Cheever; brother Craig (Kim) Neseth; father-in-law John Baumgartner; brother-in-law Greg (Kim) Baumgartner; brother-in-law Todd (Lin) Baumgartner; brother-in-

law Brian Baumgartner; sister-in-law Lisa (Wayne) Liebersbach; nephew Brian (Sheena) Neseth; nephew BJ (Michelle) Layman; niece Chris (Jim) Murphy; nephew Josh (Laura) Liebersbach; nephew Jake Liebersbach along with Sean Benson; nieces Carli Baumgartner, Jillian Baumgartner, Alysha Sabby, Samantha Baumgartner, Sara Baumgartner and countless aunts, uncles, cousins, and grand nieces and nephews. He also leaves behind good friends Bob Priebe, Gregg Payne and Chuck Jensen.

Corey was preceded in death by his father, Clarion Neseth; mother-in-law Marianne Baumgartner, grandparents Donald and Florence Berg and Clarion and Myrtle Neseth, uncles Ron Berg and Dan McGarry along with countless aunts, uncles and cousins on Debby's side.

“ Very heartbreaking for such a wonderful man to leave us so early. Continued prayers for Debby and family. I wish we could have made this April's trip to Cozumel now more than ever. I will never forget the day we spent all day and night at the Coral Princess pool bar drinking lemon drops!! What fun we had! Jason and I will cherish those memories and always order a lemon drip in is memory.

“ Corey was a very fine man. He had principles that he shared with us, and we all respected each other. He was a wonderful friend to our son, Gregg. We came to respect him as our "other son". Deer hunting, 4-wheeling, & fishing were some of the precious times the boys shared through the years. Meeting at the MN Tech School in Moorhead all those years ago with Chuck Jensen, Jr as well as Paul Dulan sharing memories. So sad to lose someone so young and fun to have around! Our sympathies to his family and friends.

I went to high school with Corey. We played sports together and spent many other times with a large fun group of friends. Corey was fun, funny and had a kind heart. He became a very good man. My memories of Corey will always bring a smile. My sympathies go to his family- Chris Singer

Chris Singer - August 15, 2024 at 12:44 PM

JH

I also went to Perham high school with Corey. We did a lot of "Mustanging" together. He in his '69 and me in my '67. His passing brings back a flood of fond memories. Corey was a great athlete with a great sense of humor and always had a big presence in a group. We would spend hours having deep discussions about whatever kids in their late teens or early 20s discuss. I haven't seen him for a while but with his passing, it brings me right back to those days like they were yesterday. May God bless you and your family.
