David was born June 6, 1944, in Britton, S.D. He attended school and graduated from Lisbon High School. He then spent a very brief time in the Navy. After leaving the navy he held a variety of jobs including working for his father moving buildings. In his 40's Dave received his journalism degree from Moorhead State University. He was very proud of being a newspaper reporter and photographer. He even won a couple of awards along the way. Along with his various jobs he lived in many places in North Dakota, South Dakota, and Wyoming.

Dave's greatest joys were his daughter and grandson. He would often tell people about his grandson and what wonderful things he had done. Other things that brought him pleasure were listening to music, his cats, taking photographs, making chili & pancakes, visiting with friends and family. He was a voracious reader and would take long baths to complete a book. He loved to

travel and lived in North Dakota, South Dakota, and Wyoming. At the age of 5 or 6 Dave became a Christian. He could often be heard discussing prophecy and the sermon. Dave loved people and to be alone. He was a great hugger. He believed everyone needed a hug. Jokes and laughter were a daily part of his life. He cared deeply.

Dave is survived by his daughter Jody (Phillip) Ormsby, and their son Jaden, of Midland, TX; his brother Don (Linda) Maack of Alexandria, MN; and his sister Bethel Maack of Fargo, ND. He also has numerous nieces, nephews, and cousins. There are also a few aunts and uncles remaining. He is preceded in death by his parents Fred and Beverly Maack and his brother Daniel "Butch" Maack.

Donations in honor of his life may be directed to Hospice of the Red River Valley or your favorite animal charity.

“ I remember Dave as loving a good argument! Sunday school was always interesting, as he'd take an opposite view just to stimulate our minds! Our deepest condolences to the Maack family as you grieve the loss of the eldest sibling. Celebrate his life!!!!

“ I got to know Dave when I was elected to the North Dakota Legislature; representing Wahpeton and Richland County. Dave was a News Reporter for the Wahpeton Daily News. He was a very good News Reporter! Dave made a lot of friends in the Wahpeton area and was very respected for his news reporting. My thoughts are with his family.

I have fond memories of Dave, first when he visited my journalism class in Wahpeton, and later when I was blessed to work with him in the news room of The Jamestown Sun. He was a good friend with an infectious laugh and I'll always cherish the memory of Dave praying with me on tough days! See you in the Kingdom, my friend!!!
