“ Randy,Zack and Ben: Even though our lives have gone on in different paths Emma and I still fondly remember the many picnics and shop parties with the "Old FORD garage" family that our families were a part of. Our wishes for you at this time of loss can't really be put into a short message. Condolences go out to you.

“ I'm not 'legally' her aunt but have loved all of you the same as tho you're family. My heart couldn't be more broken over this too, and I know there's nothing I can say to make a difference at this sad time. Just trying to send my love and caring and know that my heart is with you all. RIP dear Debra and you'll never be forgotten.
