“ *Very sorry to hear about Delores. We used to bowl together in Hannaford every Thursday night. We would have such a good time! We even went to a State Tournament one year and placed 5th place in Doubles!! She was a Wonderful woman who always had a smile on her face. My thoughts and prayers are with all of you.*

Although I didn't get to spend a lot of time with Delores over the years since she came into my dad's life, my thoughts and prayers go out to my dad and her family. I hope I can be there to support my dad for the memorial service.

Dad, I love and miss you and will be there in spirit to support you if I am unable to attend.

*Love,
Shelly*
