“ I met Diane when we were on the same bowling team, (in the 70's) I was in college and she was one of the kindest, accepting, and loving people around. She made me feel so welcome and she was quick to share loving stories of her children. Years later my brother in law married her daughter....I have never known anyone who LOVED her family the way Diane did...she was always full of pride for her children, grandchildren, great grandchildren....I know the family is going to feel her loss greatly. my thoughts and prayers are with you all.

“ Susie, Steve and Jim you have my condolences in the passing of your mother and wife. I knew Diane a long time ago when I lived in Valley City and Susie and Steve were young and they stayed with me for a while. Everytime I would go to Valley City I would stop at Brothers III and visit with her if she was working.
