“ It is with a heavy heart that we say good-bye to our dear friend. We met Bert and Dianne when we were all stationed at Albuquerque New Mexico. We were all newlyweds, far from home for the first time so we all became family. Dianne and I made our first Thanksgiving dinner together and it turned out ok with the help of Bert and Jim. When we got out of the service we took the long way home to Wisconsin and stopped in to visit with them and it wasn't the wisest thing to do as our car broke down twice. We had such good times when we were out to visit you and we could always count on a good home cooked meal from Dianne and her fresh produce from the garden. To Bert, Dean and Brian and your families, our deepest sympathy and are sorry we cannot be with you at this difficult time.

With love,
Jim and Norma
