“ I was so saddened to read of Dorine's passing in the paper. I have such fond memories of her and the Haarsager famiy! My thoughts and prayers go out to Cindy, Dawn, Kim, and their families. Even though we left Litchville a long time ago, I think about the times we shared my friends. Love always!

“ My daughters work at the convenience store in the North Lamoure community. They come home and ask about the people who live and have lived there. I just told them the other day how wonderful Dawn and Cindy are. That is a direct reflection on the parents. God bless your memories.
