“ There's so many memories I could write about here, but it would take up too much space. So I'll just say that Dorothy has been the most loving grandma I've ever known. And I love her so much.##imported-begin##Emily Metcalf##imported-end##

“ I cherish the memory of the grand lady who taught me love of art and to be creative in my own way. Many students were nurtured inside the classroom & yet her lessons were in many forms. I have always thought of Dorothy as a role model. She is in many memories and I think of her with every glance of a yard full of blooms.##imported-begin##Wanda (Erickson) Bakke##imported-end##

“ My thoughts and prayers go out to the family of Dorothy Byberg Regnerus. Mrs. Byberg was such an inspirational person. She is one of the main reasons why I pursued Art education. I remember how she would tell us not to paint cute things. She motivated us to higher levels in art and our personal lives. She definitely made an impression. She will be greatly missed and her spirit lives on in so many that were touched by her presence. God Bless.##imported-begin##Paul Noot##imported-end##

“ Dorthy Byberg was my art teacher in 1978-79 and was such a wonderful teacher/person and inspired her students with art even thou my talents were minimal. She always made her students believe they were Picasso no matter of their artistic ability.

She will be deeply missed.##imported-begin##Larry Hoffman##imported-end##

“ We are sad to hear of Mrs. Byberg's passing - I often reflect on the impact she had on my life ... most significant in her selecting me for the Bjorn Byberg award in 1981 (hopefully, I've done it justice) - and recalling it as a true surprise and honor (in hindsight, it was a boost when I needed it). Thoughts and prayers from my family to yours.

“ Dorothy was one of most encouraging art teachers I ever had. Who could ever forget the unique way she had of presenting the morning school announcements each day. She gave me the courage to pursue art as a college major. Whenever I pass by her home, I will always see the flowers blooming there.##imported-begin##Jeffrey Bloom##imported-end##

“ Many fond remembrances of Cousin Dorothy Mary and all the Rood Family gatherings while growing up in Valley City. As Dorothy Arline Rood our names would sometimes be mixed up if the middle name was not mentioned. I can recall Dorothy being Dan Rood's daughter and me being Amos Daughter. Dorothy was my Bible Class Teacher while studying for confirmation. She was a very conscientious teacher and thoughtful towards her students. At that time Dorothy gave me a small hymn booklet that to this day is a treasure.

I am so very thankful I was able to spend a few memorable days with Dorothy and Menzo while in Valley City during June/July of 2007. All my sympathy and prayers for Dorothy's family##imported-begin##Dorothy A. Jones##imported-end##

“ *Paul and Sue (Pederson) Phillips*

Menzo, Marlo, Barb, Brenda and families – Our love and prayers are with you. I have wonderful childhood memories of Aunt Dorothy -- Christmas Eve dinners, happy picnics in the back yard, making dolls out of hollyhocks, spending the night, and walking to church. My children have great memories too -- Erin and Trevor remember fun times playing in Great Aunty Dorothy's basement; she had all kinds of art supplies and she let them use everything and paint pictures and make wonderful creations. What fun memories to have. She was a kind and generous person, an encourager and positive influence to her students, and she never failed to keep Jesus first in her life. We wish we were able to be with you for the funeral, but you will be in our hearts. Love and Prayers.###imported-begin###*Paul and Sue Phillips (Houston, Texas)*###imported-end###

“ Mrs. Byberg was my art teacher. I graduated in 1976. I will always remember her as the best teacher with such a kind heart. She truly loved teaching and took so much time with each student, making us all believe in ourselves. I continued with some art skills after high school. It helped me in my career that I truly love. I am a florist going on 30 plus years. Mrs. Byberg taught me skills that I use every day.

Your wife, mother, and grandmother will be truly missed and remembered always.##imported-begin##Debbie (Ronholm) White##imported-end##
