“ There was never a dull moment when I'd see Doug. From animal sitting when I was a teen to sitting outside and talking about my grown up life. He'd always give me fatherly advice and get so happy when I'd bring my daughters over to draw chalk while we talked. I miss pulling up to my moms and seeing him sitting outside with a smile on his face knowing I would go chat with him first. Doug was one of the kindest people I've ever met & I'm forever grateful to have grown up next door to him. He always said he viewed me as a granddaughter, along with my kids. I'll miss his jokes, smile, waves when I passed by, and mostly our talks. He's a great man who was loved deeply by many. He will forever be missed, but his memory will live on forever.

“ The hours I spent sitting out in the front with Doug waving at every car that went by. He was great friend and will be missed by all. God bless you for your Friend ship Jim Anderson

“ I remember Doug at Fleet Wholesale. He was the "go to person" there and with a "vague" description of a item needed, he knew exactly what it was.

Also at Sheyenne Care Center, he was the one to get something done with only one request. As a neighbor, he helped me out more than once. He was a kind and caring man. My sympathy to Doug's family. Estelle Hanson
