“ *Gayle and family,
I just watched the video of Duane and cried through the entire thing. We were not only neighbors for ten years and schoolmates, but good friends. He was like another big brother to me. He and Harley spent time together hunting, fishing, and playing ball. It seemed we always had time for games of Hide and Seek in the hayloft or upstairs in our homes; and the sock battles we used to have and snowball fights. Such good memories shared with the Burchill family as Friday nights were card nights for our parents during the winter. It was so heartwarming to see your sons grow up in the video and have families of their own. May all the memories be a great comfort to you. He was a great father and grandfather; a loving husband who will be greatly missed.*

I send you my heartfelt sympathy and will be with you in thought and prayers.

“ *Our deepest condolences to Gayle and family in the loss of Duane. I have so many good memories of time spent on the farm when we were youngsters. He and I were not only cousins but the best of friends. Even though we hadn't been in touch in years I will never forget him and our good times together. Jim and Connie Huss*

“ I meet Duane in 2015 at the Walsh County Gun Club. After that we shot together every chance we could along with my brother Dick from Jamestown. Both Duane and Dick won several ND State Championships in different classes and categories as we shot together. Duane is the third squad mate I have lost in the last year. Duane was a kind caring man and a great ambassador to trap shooting. I miss them all very much.

“ Loving sympathies to Gayle and the whole family in the loss of Duane. Prayers for your comfort from the Lord too. My special memory of Duane was when he went to the state music festival in Bismarck, I think in 7th grade, and I had the privilege of accompanying him on the piano when he beautifully sang, "Oh Danny Boy". I think of him whenever I hear or play that song. He sang beautifully then, and I'm sure beautifully over the next many years. Now he can sing beautifully, praising our Lord in heaven.
