“ Tena, We were very sorry to hear of your dad's passing. In the few times we met him, we could clearly see that he had a very special bond with you that was full of love and tenderness. You "borrowed" us a wood cabinet with a cut out of a dolphin on the front door that we still have today. We would love for you to have it back. Please contact us to let us know when would be a good time for us to return it back to you. We are sure it has extra special meaning to you now more than ever.##imported-begin##Pam and Mike Clemens##imported-end##

“ To all family of Ear,
I extend my deepest sympathies to all of you. I was usually able to visit with Earl when I visited my Mom at the Villa. What a great attitude he always had toward life. Please accept my condolences at this time of sorrow and sadness. Sincerely, Marilyn.##imported-begin##Marilyn (Reidman) Geary##imported-end##
