“ I am so very sorry to hear of your loss. Edna was the best resident ever! She helped me with CNA testing for, I am sure, hundreds of CNA candidates over the years. She acted the part of the resident in a facility and was such a trooper, and so kind. She always put the candidates at ease. She was a true gem and a blessing to me as my "actress". My very sincere sympathy to each of you.

“ Edna was such a good friend of my mother Tillie Buchholz. Mom always enjoyed visiting with her. When ever I saw Edna, she always had a joke to tell & a smile on her face, accompanied with a great laugh. What a nice, friendly soul she was! My condolences to all of her family.
