“ I am going to miss Grandma so much. I have great memories of the farm and the sleigh rides in the winter, picking rocks with my cousins, chasing the cows and jumping into the upstairs of the barn. We had great Christmas' at Grandma's with all the cousins, aunts and uncles. I hope Grandma is looking down at us now.##imported-begin##Julie Esterby##imported-end##

“ My grandmother was a very special little lady. I spent many summers with her. I still can see her dance to polkas in her kitchen, watching wrestling sitting on the edge of her seat. Just recently she was very excited and proud that her great grandchildren, Breanna, Jesse, and Mariah love wrestling, even hopes that Jesse will be come a professional wrestler. We are going to miss her smile, her laugh and of course all the hugs she would give. We love you grandma very much and we will see you again.
