“ Dear Tina and Chandi, What an inspiration you two are for us! We just started to train Freestyle and we simply LOVE it! Roy, my pure bred Border Collie, is already 9.5 years old (he is also a rescue dog!) but he enjoys every new move he learns. Ofcourse I wont push him to do things that he is not able to do physically, but there are still a lot of fun things to do! We just had a weeks workshop by Brigitte van Gestel here in Holland and that was really cool! I really enjoy the videos of you and Chandi, they are good learning material for me. What pleases me the most though is that you both seem to have so much FUN together, you are simply in love with each other . it shows! Thank you for all your routines, and the inspiration!! friendly greetings from Ramona and Roy from Holland###imported-begin###Syed###imported-end###

“ *I always enjoyed kidding Eddie. He seemed to like Allen, and after he passed away and he would see me, he mentioned Allen's name every time. He was such an inspiration when he would be selling tickets for the Senior Center. He gave full attention to that and was so proud to have sold the most tickets.###imported-begin##Pat Nielson###imported-end##*
