*Elmer told me this was when the war ended and that everyone was celebrating but he was a farm boy from Rogers and just got on an old German tractor and went for a ride. This is a picture of that moment.*

“ Our dad, Raymond Groves, served in Korea with Elmer. They maintained a friendship ever since then. When Ray died in 2020 we sent many letters back and forth to Elmer and talked several times. We are thankful for his steadfast friendship and the example he set for us all. Sending love to his family and friends.

What a great friend Elmer was to stay in touch with our father for 70 years after Korea. What a strong, steady friend he was!

“ Elmer has been a dear a special part of my life for almost 30 years. I am so lucky to have known him. My memories of our visits together over the years, including his last couple birthday parties will forever remain in my heart. I was saddened to receive the message about his passing but know that he is up there watching over all who loved him. Thinking of all family, friends and care givers. Heaven definitely gained a wonderful angel!! Elmer, thank you for your friendship. I'll miss you always.

“ Elmer was a schoolmate and friend of my mother's. We had visited him at the Veteran's Home and had such fun listening to stories of their growing up years. He will be missed and we will remember him with fondness. Heaven gained another angel!
