“ *Rodney, Carol, and Charlene,
My sympathies go out to your families. Your mother was a wonderful patient lady who was so gifted and talented and willing to teach young minds piano. I have many memories of Mom bringing Pam & I out to the farm for lessons...Pam downstairs on the piano and I upstairs with Carol on the guitar. A house full of music is a wonderful thing!*

*"Music is a world within itself, with a language we all understand".
Later as years went on, it was so great to see Evy's smile with Selmer at local church and town events.*

Evelyn Kluvers, what a generous lady to have in our lives. We have all been blessed.

“ I see several have written about taking piano lessons with Evelyn. I was one of her students as well and have so appreciated having that ability all these years. Of course I had the added bonus that I could hang out with Char a bit if my parents were late picking me up. Always a fun time! Blessings, Char!

My sympathies to all of you!

“ Sweet memories and prayers for you, the family of Eve Kleuvers. I am proud to say I was one of Eve's piano students. Because of her love and encouragement for music and piano, our family has had a piano from our early married life with several of our children and grandchildren enjoying piano playing and have become gifted at it. Thanks to Eve for being one of the most encouraging people I have known. I can vision a host of heavenly saints rejoicing as Eve entered her heavenly kingdom, which Jesus prepared for her. Evelyn was one of those people who seemed to always be rejoicing, with a twinkle in her eye and a big joyous smile (like we see in this picture). She exemplified the verse from Philippians 4:4 "Rejoice in the Lord Always, and again I say Rejoice"

“ Thinking about you all. Safe travels as many of you once again make many miles "back home." How different it will be without Mom/Grandma. She is home and whole ! May many good memories bring you joy even at this sad time.
