“ We had many enjoyable visits with Allen & Frances and their family when they lived on my grandmother's farm north of Cuba. Dennis was my sister's age. Vickie was born on exactly the same day as my brother Dane in the same hospital in Valley City--so sometimes Vickie's and Dane's birthdays were celebrated together. One of my most vivid memories of those visits was Dennis riding his bicycle through the geese with his feet up to avoid goose attacks. We were glad for the family when they got their own farm at Ltchville, but somehow we didn't see as much of them then. Within a few years after my mother moved to Valley City after my father's death, Allen & Frances bought a home only a couple of blocks from hers. We were able to have visits again then. Frances was always so friendly and welcoming. I have very fond memories of Frances, Allen, and the time we had with them. Thoughts and prayers, --Julie Kreidelcamp Witt

“ The last time we saw Francis was at our Farm by Cuba, ND. The same place where Francis and Allen made their home on her Grandmothers farm. She so enjoyed being there, even if a lot had changed. She stated that the two track road to the farm was just as bumpy as every... Our prayers and thought are with Francis and her family during this sad time. Rest in Peace !!

“ We were neighbors to Frances and Allen when they moved to their home in Valley City. What a lovely and kind couple they were. Her coffee pot was always on along with a little sweet treat! We lost touch when they downsized and moved to an apartment and we moved to Fargo but I am so grateful to have had the honor to have them as neighbors and friends. Our deepest sympathies and prayers of comfort to the family during this very difficult time.

“ *Frances was my favorite aunt and she loved it when I would tell her this! She had the loveliest smile and most kind demeanor. We were so fortunate to have her and all of you as our closest family. Frances will be missed greatly by all who knew and loved her. She also made the best ham buns I’ve ever eaten! God bless you all.*
