“ Teri,

*I know your Grandfather was a God send to you as a small child. His love for you has made you the caring Pharmacist you are today. And as the tide of life turned, you were a God send to him. The countless hours you have spent tending to his many needs may have gone unnoticed, but the people who know you, know you have always had a true love and devotion for both your Grandparents and will continue to do what is just and right. You are so fortunate to have been close to Grandpa George. Take Care*
