“ George was a proud and honorable individual who I respected and appreciated over the years, especially after all the fire alarms he responded to because of burnt popcorn at the Sheyenne Care Center. Our prayers are with George and your family during this difficult time. God Bless.

“ I have known George for many years. Many years of cooking him Breakfast at Kenny's Restaurant , and the Vfw . George and I spent many years making his favorite Vegetable Soup. George and his Family could never get enough of it. We went front a large pot of it to a Stock pot of it then to 2 Stock pots of it the last couple years we made it. I gave him a hard time about it by telling him how much i enjoyed his new cologne "Veg Head " by George-ee ! He would bust out laughing saying, Dawn you sure are one of a kind as he would give me that one arm hug He was known so well for. To make his famous soup , it required each piece be cut the same exact size. A one by one inch cube ,He would bring bags of every vegetable there was to put in his soup, including Beets. One time i made him some of his favorite soup when he wasn't feeling well. He told me the following week, Gee that sure was good Dawn, but did you recruit the elementary school kids to cut those vegetables up because it sure looked like it ! I laughed , saying no..that's the rustic style of soup. He said "Oh" just throw it in the pot no knife needed kind as he would give me one of those hugs. These are only a couple wonderful memories i have of George.
My deepest sympathy to all of George's Family. It is a very very sad day for us all today.Knowing a man i grew to call friend that i respected and love is no longer with us. I was greatly blessed to have met George. He will always fill a special place in my heart and my memories. Rest in peace dear friend.

“ I am so sorry to learn of George’s passing, he was such a wonderful human being. I will always cherish having the Schlittenhardt family as neighbors, just across the street from our house. George and Alice were wonderful people and I spent a lot there being a dear friend of Connie Schlittenhardt Retterath. I have a couple special memories of George...both when I was Miss ND. He was responsible for bringing me into town on the fire truck after I won the title. Such a rush riding on a fire truck...I never knew! Later that year he also answered an emergency call when I got my fingers stuck in our garage door and had to go to the hospital. Through the years whenever I came back to VC for a visit and ran into George, he always had time to visit. He lived a quality life with his family at the heart of it all. God Bless you George, I know you are in heaven with Alice now. Hug my mom and dad for me! ❤️🙏 Prayers to the entire Schlittenhardt family...
