“ Dear Chad, Helen and families, I got to know Georgie when I babysat Chad. She was a hoot, loved her fiery personality. We had birthdays a day apart, but she was a tad older. Treasure her memory and the time you had her. She is now reunited with Mike again..

“ I'm so sorry to hear of Georgie's passing. I'll always remember the years working with her-what a firecracker! She once gave me her brownie and frosting recipe that I use all the time and I remember her making a comment "do not stir this when it is boiling"! And a finger pointing at me as she said it! I cherish those memories. Our deepest sympathies go to her family.
