“ *My sincere sympathy to Gerald Langemo's family. I went to rural school with Gerald. He and my brother Myron and 2 other neighbor boys were all 4 in the same class. I was 4 yrs younger, but still remember him and all the other kids. Great memories in a country school with no electricity or telephone, and only outdoor toilets. Those were the days! God bless the memory of Gerald & may God continue to bless his family.*

“ *It has been many years since I have seen Jerry, but when I was younger I took a square dancing class and he and Pat were there as some of the "seasonal" dancers to help us newbies learn. I will always remember his good humor and the fun times I had during those classes.*
