“ Our sympathies to Glen’s family. Though we seldom saw each other in the later years, we were all there for our kids’ school years and he was a big part of the community. Glad we were able to catch up at the grandkids’ ball game last winter- you will be in our thoughts and prayers as you deal with the loss of Glen in your everyday lives. He was a kind, gentle man who left a legacy of love. Nancy and Mike Satrom

“ We lost a great man and we need to try and be more like Glen. Our parents were very close and spent time with each other. I will never forget the Lysne family and how Glen was calm, cool and one heck of nice person. Glen was very talented in music and basketball. Playing guitar with one of the best rock bands in the area. I know this is hard for the family and friends and we must hold onto the memories. May God Bless and Glen may your rest in peace. Thoughts and prayers to the Lysne family! Take care, God be with you.
