“ I am sorry for your loss. I am writing this in honor of my mother Bobbie Olson who passed away this past May. I met Gloria at Bridgeview Assisted Living in Valley City while visiting my mother there for ten weeks this past spring. We had coffee together and played games several times. I even have pictures of her doing crafts with my mother and some other ladies in the Bridgeview gathering room. She was always so spry and mentally alert that she was a joy to be around. I would not have believed her to be 94 years old at the time. You must miss her very much. My mother loved her.
