“ Pam, hate to hear about the passing of your mother. Only met her a few times and was quite intimidated by her and your dad. Reading her obituary is a window to her life and your family. It gives me a good feeling about knowing you then and having met her. Funny how venturing out expands our memories.##imported-begin##Mark Henderson##imported-end##

“ Dear Aunt Grace's Family
I am Edward Offner's son David. I was saddened to hear of Aunt Grace's passing. As a younster I visited Uncle Alfred and Aunt Grace on their farm, but it has been almost a half century since I last saw her. I do remember that she had a presence and authority about her that made her hard to forget. She seemed to stand out big on the North Dakota prairie. My sympathy to your whole family.##imported-begin##David Offner##imported-end##

“ Dear Offner family: I saw your Mom's obit. and wanted to say I was sorry to hear of her passing. Believe it or not, I remember meeting her when I was quite young with great uncle Alfred. My grandfather was Herman Offner, Alfred's brother. I was quite young at the time. I also remember my Dad, Tommy, used to deer hunt at your farm years ago with your Dad. My Mom, Gerry (Herman and Gena's only child) just passed away on March 9th and it is a difficult time. I just wanted to send my sympathy to all of you and God bless the memory of your Mom.###imported-begin###Diana Olson###imported-end###
