“ *My heart is heavy for all of you. Gudie and Alph were our neighbors, they would watch out for us and I would do the same. I came to think of her as my second Mom. They would both come over for all our celebrations we had a our house. I still look out my window and look at their house and think of them daily. She will be truly missed by all of us. But it's the memories I will always remember. God be with you all, as you go thru this difficult time. Love, Carol and Mark Klein*

“ *Alph, Dennis, Debbie and all the family - My condolences to all of you. I won't be able to travel to the funeral, but please know my prayers are with you. Gudie was a special lady and I know she has left wonderful memories for all of us who knew her. My earliest memories of her include being the flower girl at her wedding, and singing with her around our piano at home. Again - love and prayers to all of you.*
