“ *My most treasurable memories are going to Aunt Helens house and hanging out with my cousins. I can still hear her voice and quiet laugh! Many games of Pinnocle were played and laughed over. She had this calm essence about her that just flowed to everyone around her. I will miss my sweet auntie. Love Bonnie*

“ *Please accept my sincere sympathy. You will miss your mother, but she will always hold a special place in your lives. Take comfort in the promises from God's word concerning the hope of being with her and seeing her again when she is awakened from death's sleep to live in a world without tears where heartache and death will be no more. (Job 14:15, Psalm 37:10,11)*
