“ As I grew up, my family would visit relatives in North Dakota and we frequently stayed with Helen and Earl. Always welcoming and always gracious. I always looked forward to the kuchen.....a special treat to me. A special aunt amongst many great aunts in the Kleingartner family.

“Aunty” took care of me often and was like my second mom. She and my uncle, Earl, were a very big part of our family. Their farm was just a couple of miles away. We did so much together. Lots of visiting, dinners, coffee, picnics, cards, church, field work, harvesting, etc. My brother, Dennis, who spent a lot of time with Helen and Earl, has lots of great stories. We were a very close as a family!

We had the pleasure and privilege to visit her over the years including this past year. We enjoyed coffee and goodies at her perfectly set table.

I am sad that we are in Savannah and will not be attending her funeral but I praise God for her long and faithful life.

I was so blessed to be her nephew; she treated me like a son.

Thanks be to God for "Aunty"!

“ I met Helen about a yr ago at Park Avenue Apartments. I believe she was playing cards, (Hand and Foot). I was being taught the game so I could substitute. She was so amazing, so sharp. She never skipped a beat. Then I listened to her at "Coffee Time". Full of wisdom. She always loved it when I would rub her neck and shoulders. I'll always treasure the smile she had. I feel blessed to have known her.

“ To Marilyn, Mark and all family members of Helen. I remember Helen with much fondness. Many picnics and holiday gatherings were spent with the Earl Slater family at Aunt Sylvia and Uncle Otto's. So fortunate to have been part of this loving environment in growing up. Your mom was such a kind person. God Bless. Sending thoughts and prayers in remembering Helen. “ For Helen's younger brother Cal, a childhood memory that immediately came to mind is pitching bundles in the fall, with him handling the horses pulling the hay rack, while she did the hard work of loading bundles and putting them in the threshing machine. In later years, after he and his wife Joyce and daughter Lori had moved to California, their happiest summer travels were to stay with Helen and Earl, being fed her delicious cinnamon rolls for breakfast and pot roast for dinner. Her house was always immaculate and we were so comfortable and well-loved there. Lori is grateful that her husband and children got to meet this amazing member of her family. We will all miss her dearly!
